Features recommendations and ratings on hundreds of small, medium, and large-sized cars based on quality, economy, performance, and comfort standards, with judgments on crash protection, and assessments of available options

Beginning of 21st century, there is various facet of marketing. The fundamental of marketing is utilized in every aspect. The marketing trends are making the marketers assimilate the innovations into marketing realities. The definitive impact is seen in the market place. Today companies are using the mode of application of innovations in product solution for the customer problems. Marketing is changed a lot from 1960 ' s. The fundamental topics such as segmentation, targeting, positioning still used by companies though there are new contemporary trends in marketing. Service market has grown significantly in this liberalized economy. Customers look for experiences while consuming. Customer lifestyle has changed substantially. New Indian customers graduating for nuclear family values, owning number of brands, having shopping experiences in retail outlet, flying in Airline, watching movies in multiplexes, food in good restaurant, pleasant stay in good hotel and health checkup in healthcare centers are becoming ices, properties, persons, places, events, information, ideas or organization is of interest to everyone. Customer feedback is implemented by the companies. Even the companies are tracking how many customers are clicking on what in webpage, and how many advertisements they are seeing. It makes marketers plan their market offerings. India's image now that it is able to provide services for the products augurs well for the country. Every chapter in this book explains in detail about fundamentals, challenges and contemporary issues. This book represents relevant topics for insightful marketing for the new century.

Includes advertising matter.

Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. " Dr. Phil, " along with George Iny and the Editors of the Automobile Protection Association, pull no punches.
