Sahih Muslim (Sahih Muslim; full title: Al-Musnadu Al-Sahihu bi Nakliil Adli) is one of the Kutub al-Sittah (six major hadith collections) in Sunni Islam. Sunni Muslims consider it the second most authentic hadith collection, after Sahih Bukhari. However, it is important to realize that Imam Muslim never claimed to collect all authentic traditions as his goal was to collect only traditions that all Muslims should agree on about accuracy. The Muslim Scholars have agreed that all of the Ahadith in Sahih Muslim are authentic.

This volume sets out to analyse the role and function of literary culture in the formation of early modern public opinion, and proposes ways in which a modern scholar might approach early modern works of literature and other evidence of literary culture to explore early modern public opinion making.

An indispensable guide to respecting employees' rights and protecting your business interests. The Family Medical Leave Act (FMLA) is a law with a noble purpose: To help employees balance the demands of work and family. But the FMLA can be difficult to apply in the real world, especially when other laws -- such as workers' comp statutes or state leave laws -- also come into play. Any misstep can create needless frustration for both managers and employees. Fortunately, The Essential Guide to Family & Medical Leave provides all the information and forms you need to comply wi.

The criminal justice system is a complex maze of rules and procedures. The police and criminal courts confuse and intimidate people. And the media features plenty of conflicting images about what to expect if you're the victim of -- or accused of committing -- a crime.
