\*\*\*Previously published as The Good Girl\*\*\*Reviews"I have to admit, novellas tend to make me a little crazy. I get invested in a book only to realize its a shorter story (this one is 195 pages) and I am looking for my 12 hour movie. But this is the third Emma Nichols short story I have read and she has totally nailed it! When I want something sweet, steamy and to the point, going with Emma Nichols is never a disappointment." Desiree Gorman, A Love Affair With Books Blog"I loved the chemistry of the characters from the beginning to the end it was off the charts hot!" Jamie Deaver, Sassy Divas Book Blog"I loved the connection between Wyatt and Willow. He was always encouraging her to do what she wanted with her life and to not worry about what her parents might think. The sex scenes were HOT!" Sarah Larson, Stories and Swag Blog"Emma Nichols knows how to heat up the pages with her erotic stories and hot men! Their chemistry is evident from the beginning and the ending well let's just say it's the stuff fairytales are made of." Jennifer Wolfel, Wolfel's World of Books Blog"There were some laugh out loud moments, some sad moments, some moments that just put a big ol' smile on my dial." BJ's Book Blog\*\*Please note: this book is rated MA for Adult Situations and the occasional curse word\*\*WillowI knew all about Wyatt Evans from watching the revolving door of females exiting his dorm room every weekend. He was a bad boy. And I'd kept my distance. I was too good. Too boring. Too inexperienced to ever consider dating him. Now, it was the last semester of senior year. I was interning at a local magazine. There was one position open post graduation. The competition was fierce and I wanted it. Even if it was for a sex columnist and my experience was severely limited. How limited? I was practically a virgin.So what did I have going for me? Well, I was a really great writer. And I was willing to do whatever it took to get hired. Imagine my surprise when I woke up in Wyatt's bed. Imagine my dismay when I realized we hadn't slept together. Imagine my shock when he offered to help me win the job. How? One week together. One 50 Item Sex Bucket List. A whole lot of fun. Somehow, I was going to break the bad boy.

Recounts Hardin's first encounters with Tessa and their ensuing love affair that became a vortex pulling in everyone around them.

"Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

He's the Ann Landers of anomie, the antidote for sniveling sensitivity, a caustic balm for our broken hearts--he's "The Gangster of Love."
