In this definitive guide, Forrest Mosten--an internationally recognized mediation expert--helps would-be mediators answer the critical question "Do I have the values, skills, personality, and commitment necessary to mediate?" A comprehensive resource, the book also explores a wealth of timely topics including the need to establish standards of the profession, how to maintain confidentiality, the pros and cons of co-mediation, and the place of mediation in the process of court and law reform. Straightforward and reader-friendly, the Mediation Career Guide is filled with practice tips, self-surveys, diagrams, reading resources, a list of training programs and volunteer opportunities, budget forms, and model standards of conduct. This hands-on resource is designed to make the challenging journey of becoming a peacemaker a one-step-at-a-time manageable process.

Shows you how to have a satisfying career as a mediator, offering a practical, nuts and bolts guide to breaking into the field and a no-nonsense approach to the reality of current professional opportunities. Provides a vital resource but also conveys the sense of mission mediators feel for this emerging new profession

This book is a guide for college students exploring career options who are interested in working to promote peacebuilding and the resolution of conflict. High school students, particularly those starting to consider college and careers, can also benefit from this book. A major feature of the book is 30 stories from young professionals, most recently graduated from college, who are working in the field. These profiles provide readers with insight as to strategies they might use to advance their peacebuilding careers. The book speaks directly to the Millennial generation, recognizing that launching a career is a major focus, and that careers in the peace field have not always been easy to identify. As such, the book takes the approach that most any career can be a peacebuilding career provided one is willing to apply creativity and passion to their work. ENDORSEMENTS: The 30 profiles and other examples of career options across disciplines in Peace Jobs should be a required resource for all high school and college career offices. Packed with valuable realistic examples of how students, from a wide array of backgrounds, connected their passion with a paid career, it answers the ever present question "but what job can I get in peacebuilding"? Jennifer Batton Co-Chair, Peace Education Working Group and Chair, North America, Global Partnership for the Prevention of Armed Conflict Coordinator, International Conference on Conflict Resolution Education If changing the world is your calling, David Smith offers the guiding framework to channel passions and talents into meaningful employment. In Peace Jobs, millennials and others can discover ways to apply their social conscience to traditional and transformative career opportunities. Tony Jenkins, PhD Director, Peace Education Initiative, The University of Toledo Managing Director, International Institute on Peace Education Coordinator, Global Campaign for Peace Education

How to Make Money as a Mediator (and Create Value for Everyone) is an invaluable and inspirational resource filled with practical, proven, and down-to-earth information on how you can develop a satisfying and lucrative career as a mediator, no matter what your area of interest--labor and employment mediation, intellectual property, environment, personal injury, family and divorce, contract, securities, or international peacekeeping.

The book tells you everything you need to know to start an career or change the direction of your current career in politics, government, or activism.

Most mediators feel that helping people end conflicts is special work, and, they're sustained by rewards beyond money, praise, or fame. But with no obvious career path and no prescribed courses to take or degrees to earn, how does one become a mediator? Whatever your background--whether in law, social work, teaching, psychology, business, homemaking, or parenting--you can become a mediator and find a satisfying career says Peter Lovenheim. Becoming a Mediator shows you how, offering a practical, nuts-and-bolts guide to breaking into the field and a no-nonsense approach to the reality of current professional opportunities. Drawing from the experiences of actual mediators, as well as from his own many years of work as an attorney and mediator, Lovenheim not only provides a vital resource but also conveys the sense of mission mediators feel for this emerging new profession.

Chapters include: Why people fight at work, Five ways to engage conflict, Ways to listen, Ways to give (and receive) feedback, Conflict styles, Staying cool in a conflict, and Ways to engage conflict on the job: up, down, and sideways.
