The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life—an epic of struggle, setback, renewed hope, and ultimate triumph.

Based on Sanskrit mathematical aphorisms found in the Atharvaveda.

Case studies of economically disadvantaged children and their labor in different Indian industries.

Physical Education Book

'A Khushwant Singh short story is not flamboyant but modest, restrained, well-crafted...Perhaps his greatest gift as a writer is a wonderful particularity of description'—London Magazine Khushwant Singh first established his reputation as a writer through the short story. His stories—wry, poignant, erotic and, above all, human—bear testimony to Khushwant Singh's remarkable range and his ability to create an unforgettable PBI - World. Spanning over half a century, this volume contains all the short stories Khushwant Singh has ever written, including the delightfully tongue-in-cheek 'The Maharani of Chootiapuram', written in 2008. 'Khushwant's stories enthrall...[He has]an ability akin to that of Somerset Maugham...the ability to entertain intelligently'—PBI - India Today 'His stories are better than [those of] any PBI - Indian writing in English—Times of PBI - India 'The Collected Short Stories leaves the reader in a delightful, inebriated trance'—Sunday Chronicle 'He is not an ordinary short story writer...[Collected Stories] is delightful reading'—Hindustan Times

The campaign of the Khilafat Movement and the Ali brothers' close collaboration with Gandhi are well acknowledged in the pages of history. It is also well known that after the collapse of the Khilafat–Non-cooperation Movement, the relationship between them became strenuous, and the Ali brothers moved away from Gandhi. But what is not so well known is that the promise of the relationship when it was forged was astounding, and Gandhi saw it as a solution to the problem of Hindu-Muslim unity, which he considered fundamental to India's independence. This book is a study of the relationship between Gandhi and the Ali brothers mainly in the context of the Non-cooperation and Khilafat Movements, focusing on the period of 1919–1931. Gandhi's involvement in the Khilafat agitation was his first direct intervention in an exclusively Muslim question, translating it into a national question. This was his way of bringing the Muslims out of their community cocoons into the mainstream of India's national politics. However, as his relationship with the brothers broke down, this turned out to be also his last such intervention. Consequently, the issue of Muslim participation remained unsettled till Partition. Gandhi and the Ali Brothers narrates the story of the coming together, the joint struggle and the parting of ways of Gandhi and the Ali brothers. It documents a lucid micro-history of the momentous developments in the personal relations of these political figures, with the dynamics of Hindu-Muslim interface as the backdrop.

1. Chapter-wise presentation for systematic and methodical study 2. Strictly based on the latest CBSE Curriculum and National Curriculum Framework. 3.
