[[Empire Of Ivory Temeraire 4

Empire of Ivory, Naomi Novik’s fourth book in His Majesty’s Dragon series, takes place where The Black Powder Wars left off. The focus of the series is fighting Napoleon and his push to dominate all of Europe.

Empire of Ivory (Temeraire, Book 4): Novik, Naomi ...

Well, I finished book 4 with a bit of trepidation for future entries. Despite my love for the series, and the solid foundation that this alternate history tale was built on, THIS was the Temeraire book I didn’t even know I wanted. While the previous books in the series have all been good, Empire of Ivory definitely stands taller than the rest. My concern is that this is the pinnacle of the series, and that everything else that follows might not quite live up to the newly established standard.

Empire of Ivory is the fourth novel in the Temeraire alternate history / fantasy series by American author Naomi Novik. The series follows the actions of William Laurence and his dragon, Temeraire. The book takes place in Africa and follows Laurence and Temeraire's search for a cure to the disease that has paralyzed the dragon community.

Empire of Ivory - Wikipedia

Empire of Ivory (Temeraire #4) is a Fantasy novel by Naomi Novik.

“A new writer is soaring on the wings of a dragon.”—The New York Times
Tragedy has struck His Majesty’s Aerial Corps, whose magnificent fleet of fighting dragons and their human captains valiantly defend England’s shores against the encroaching armies of Napoleon Bonaparte. An epidemic of unknown origin and no known cure is decimating the noble dragons’ ranks—forcing the hopelessly stricken into quarantine. Now only Temeraire and a pack of newly recruited dragons remain uninfected—and stand as the only means of an airborne defense against France’s ever bolder sorties. Bonaparte’s dragons are already harrowing Britain’s ships at sea. Only one recourse remains: Temeraire and his captain, Will Laurence, must take wing to Africa, whose shores may hold the cure to the mysterious and deadly contagion. On this mission there is no time to waste, and no telling what lies in store beyond the horizon or for those left behind to wait, hope, and hold the line.
BONUS: This edition includes an excerpt from Naomi Novik’s Victory of Eagles.

Naomi Novik’s stunning series of novels follow the adventures of Cpt Laurence and his dragon Temeraire as they travel from the shores of Britain to China and Africa.

An epidemic of unknown origins has decimated the noble dragons' ranks and only Temeraire and a pack of newly recruited dragons stand as the only means of an airborne defense against France's ever bolder armies.

A latest installment in the series that includes Tongues of Serpents continues the fantastical Napoleonic War experiences of Captain Will Laurence and his indefatigable fighting dragon, who travel to South America to negotiate with the Incas as part of a plan to stop the Emperor’s campaign for world domination.

Captain Laurence washes onto the shores of Japan with limited memories about his life, a situation that tests the strength of his bond with the dragon Temeraire.

As Napoleon launches an attack on Britain, Captain Will Laurence, accused of treason, escapes from his prison ship and sets out on a desperate quest to reunite with his fighting dragon, Temeraire, who has been consigned to breeding grounds in Wales.

A gift-bound omnibus of the first three entries in the award-winning series includes His Majesty's Dragon, Throne of Jade, and Black Powder War as well as an original short story starring Temeraire the dragon. By the John W. Campbell Award-winning author of Victory of Eagles.

A latest work by the award-winning author of Victory of Eagles continues the adventurous partnership between a British naval captain and a fighting dragon who work to protect their island home from the forces of Napoleon.

With the acclaimed Temeraire novels, New York Times bestselling author Naomi Novik has created a fantasy series like no other, combining the high-flying appeal of Anne McCaffrey’s Pern saga and the swashbuckling derring-do of Patrick O’Brian’s historical seafaring adventures. Now, with League of Dragons, Novik brings the imaginative tour de force that has captivated millions to an unforgettable finish. Napoleon’s invasion of Russia has been roundly thwarted. But even as Capt. William Laurence and the dragon Temeraire pursue the retreating enemy through an unforgiving winter, Napoleon is raising a new force, and he’ll soon have enough men and dragons to resume the offensive. While the emperor regroups, the allies have an opportunity to strike first and defeat him once and for all—if internal struggles and petty squabbles don’t tear them apart. Aware of his weakened position, Napoleon has promised the dragons of every country—and the ferals, loyal only to themselves—vast new rights and powers if they fight under his banner. It is an offer eagerly embraced from Asia to Africa—and even by England, whose dragons have long rankled at their disrespectful treatment. But Laurence and his faithful dragon soon discover that the wily Napoleon has one more gambit at the ready—one that that may win him the war, and the world. Praise for League of Dragons “Novik has accomplished something singular with her Temeraire series. It’s long. It’s sumptuous. . . . It’s a story about friendship that transcends not only time and class, but species. . . . League of Dragons masterfully wraps up so many plot threads and loose ends that had built up throughout the previous eight books [but] Novik never forgets that, as complex as her ideas and plot may get, the very simple notions of friendship and loyalty lie at the heart of the series.”—NPR “A satisfying conclusion to a remarkable series.”—Kirkus Reviews (starred review) “Thrilling scenes of aerial combat are interspersed with detailed character work, moral complexities, and political maneuvering. Novik expertly balances a myriad of plotlines and characters and offers an extremely satisfying resolution.”—Booklist (starred review) “This thrilling installment is packed with action and excitement, drawing the series to a delightful and satisfying close with plenty of twists, misadventures, and aerial combat along the way.”—Publishers Weekly (starred review) “Novik’s fans won’t be disappointed.”—Library Journal “League of Dragons is an ending to the series, it is a definitive one, and it is a satisfying one. Go read it.”—Tordotcom

In the second novel of the New York Times bestselling Temeraire series, the Napoleonic Wars take Captain Will Laurence and his dragon to China on a perilous mission. “Full of wonderful characters with real heart.”—Peter Jackson
When Britain intercepted a French ship and its precious cargo—an unhatched dragon’s egg—Captain Will Laurence of HMS Reliant unexpectedly became master and commander of the noble dragon he named Temeraire. As new recruits in Britain’s Aerial Corps, man and dragon soon proved their mettle in daring combat against Napoleon Bonaparte’s invading forces. Now China has discovered that its rare gift, intended for Napoleon, has fallen into British hands—and an angry Chinese delegation vows to reclaim the remarkable beast. A reluctant Laurence has no choice but to take Temeraire back to China—a long voyage fraught with peril, intrigue, and the untold terrors of the deep. Yet once the pair reaches the court of the Chinese emperor, even more shocking discoveries and darker dangers await. “Readers with a penchant for both Patrick O’Brian and Anne McCaffrey may have found their perfect match. Naomi Novik beautifully renders an 1800s Europe in which naval buffs and dragon lovers will be keen to immerse themselves.”—Alan Dean Foster, author of the Pip & Flinx series
Don’t miss the magic of Naomi Novik’s Temeraire series: HIS MAJESTY’S DRAGON • THRONE OF JADE • BLACK POWDER WAR • EMPIRE OF IVORY • VICTORY OF EAGLES • TONGUES OF SERPENTS • CRUCIBLE OF GOLD • BLOOD OF TYRANTS • LEAGUE OF DRAGONS
