When a savage creature known only as the Adversary conquered the fabled lands of legends and fairy tales, all of the infamous inhabitants of folklore were forced into exile. Disguised among the normal citizens of modern-day New York, these magical characters have created their own peaceful and secret society within an exclusive luxury apartment building called Fabletown. But when Snow White's party-girl sister, Rose Red, is apparently murdered, it is up to Fabletown's sheriff, a reformed and pardoned Big Bad Wolf, to determine if the killer is Bluebeard, Rose's ex-lover and notorious wife killer, or Jack, her current live-in boyfriend and former beanstalk-climber.

In these tales from FABLES #34-45, Boy Blue undertakes a mission of revenge as he uncovers the Adversary's true identity! Plus, Jack's adventures in Hollywood and Mowgli's return to Fabletown!

Follows the adventures of storybook and nursery rhyme characters who live side-by-side with humans.

Bill Willingham's hit series FABLES continues here, as issues #28-33 are collected for the first time in hardcover, along with the original graphic novel FABLES: 1001 NIGHTS OF SNOWFALL.

WINNER OF FOURTEEN EISNER AWARDS. FABLES: ARABIAN NIGHTS (AND DAYS) opens a new front in the struggle between the Fables and the Adversary as the worlds of the Arabian Fables are invaded-leading to an unprecedented diplomatic mission to Fabletown and a bad case of culture shock! This seventh volume of the popular Vertigo series also includes "The Ballad of Rodney and June," the 2-part story of forbidden love among the Adversary's wooden soldiers, and features stellar Art by Mark Buckingham, Steve Leialoha, Jim Fern, Jimmy Palmiotti and Andrew Pepoy. Collects issues #42-47 in Bill Willingham-s Eisner Award-winning Vertigo series.

For years, Snow White and Bigby Wolf's cubs have grown up knowing that one of them was destined for a much greater, more grave role amongst the Fables community. But no one knew how soon it would come. When Snow and Bigby's cub Therese receives a Christmas gift from an-unknown admirer, this red plastic boat magically takes her on a journey to a desolate place known as Toyland. Will Therese be their savior? Or their destroyer? FABLES VOL. 18: CUBS IN TOYLAND is the latest epic from New York Times best-selling author Bill Willingham's hit series FABLES, as the Bigby Wolf cubs learn that adventures in the land of misfit toys is much less fun than it sounds. Also collected here are all the backup stories that feature Bufkin's exploits in the land of Oz, beautifully painted by Shaw McManus (CINDERELLA: FROM FABLETOWN WITH LOVE).
