This anthology introduces 50 legendary writers — Voltaire, Balzac, Baudelaire, Proust, more — through passages from *The Red and the Black*, *Les Misérables*, *Madame Bovary*, and other classics. Original French text plus English translation on facing pages.

Cancer sucks, death sucks even more. But we humans don ' t have the power to stop either of them from messing with our lives. They enter our lives whenever and wherever they choose to. Cancer is so common that each one of us have known someone who has dealt with the disease; some of us have lost a loved one to cancer. Common does not always mean

simple, and it also does not mean we know everything about it. The diagnosis of cancer, regardless of the disease ' s curability, is almost always nerve-wracking, even for healthcare providers like the main character of this book who is a veteran nurse. This book is written in first person; the subject is a middle aged woman who had been separated from her boyfriend some thirty years ago and then after three decades when she searches for an oncologist for treatment of an aggressive cancer that she was recently diagnosed, she finds her ex-boyfriend ' s name and decides to see him. That brings back the memory of their past together, and she starts going through her old diary she had written some thirty years in the past. Part of the story is set in Nepal (from the diary) and the

other part is set in the USA ( this takes place after her cancer diagnosis). The main character of the story was born with ‘ Manglik ’ cosmic influencer, meaning that the planet Mars “ mangal Graha ” was in such position in the solar system at the time of her birth that it would have strong negative effect on her husband if she married a man who was non-Manlik (a person born at the time when the planet Mars was not in such position.) What happens next changes the lives of the main characters.

The Iron Will of Vishvamitra is based on a creative interpretation of the causes and effects of two mythological water-wars fought during the Rigvedic period on the banks of the rivers Ravi and Yamuna.

This book tells the reader that when natural water resources are exploited forcibly and unreasonably, without caring for environment and agriculture, a fierce struggle breaks out between the rival claimants. Nature plays havoc with the perpetrator as well as the sufferer. The perpetrator 's greed and avarice bring about the doom of the good and the bad alike. When exploitation and misuse of natural water resources continue unhindered and all efforts of persuasion fail, a man of iron will like Vishvamitra takes up the cudgels to save the earth and teaches the wrongdoers a lesson. On the surface, this is what the book is about, but readers may delve deep into it to understand the "unseen" meaning. Also available as e-book on all major online platforms such as Amazon

A smart, funny take on the Charles Dickens classic BLEAK HOUSE—for anyone who's ever held on to a dream just a little too long. New York writer Ricki Carstone knows the odds of Hollywood actually turning her debut novel, Jarndyce and Jarndyce, into a movie are slim. But Moxie Bernard, the most famous teen on the planet, has signed on to star in the option. Plus, the producer is throwing her a super fabulous party in Hollywood (with Moxie!) to celebrate the relaunch of her book with a younger, sexier cover. Maybe it will happen after all. Quitting her dead-end paralegal job to move out to Los Angeles and keep an eye on the project, Ricki meets a handsome out-

overcoming feedback avoidance and taking great leaps forward with employee engagement, retention, and performance. Anna Carroll applies her extensive research and expertise in business consulting and psychology to illustrate how brain science, generational trends, our information economy, limiting beliefs, and organizational culture collide in the new workplace, creating a huge gap between the supply and demand of helpful professional feedback. In her “ Seven Steps to Everyday Feedback ” and sixteen tools for self-assessment and planning, Carroll provides detailed instructions for leaders to execute a feedback turnaround that will quench their team members ’ thirst for helpful feedback and build a culture in which employee-to-leader and

Kinder- und Hausmarchen is a collection of German fairy tales first published in 1812 by the Grimm brothers, Jacob and Wilhelm. The tales have formed the basis for children's tales in the Western world ever since. This volume presents several of the most popular tales, including Cinderella and Snow White, in the original German side by side with classic English translations."

A collection of short stories along with poems to express a college woman's encounters with the three most important men in her life thus far. In this book the reader will go on a journey living the love and heart breaking experiences the author

A book of magic tricks for a younger audience.

"A farmer and entrepreneur, Chase is a man of many abilities. Now he is being asked to use those abilities, and his own particular skills with a sword and bow, to assist an alien planet. This means trading a valuable resource that the planet harbours to convince the Inter-galactic Federation to repair its failing sun" -- Back cover.
