And the little Icom IC-751A stood up to every each of them, sometimes being better depending on settings or modes. This is a quad stage IF radio, great audio on receive and super signal on transmit. With a steel case and metal die-cast front panel, Icom IC-751A is built like costs were no issue compared to today's so called "state of the art" plastic radios. It has a clean crisp receive signal ...
