need it, and how they need it, so that your class time is more engaging and effective.

Schiller/Sabiston/Phipps, *The Micro Economy Today, Canadian Edition*, is more concise and somewhat less analytical and mathematical than other first year texts. In some respects, it is better suited to the modern undergraduate. It does a better job of explaining some of the key issues without the cost of lengthy exposition. One of the main strengths of *The Micro Economy Today* is the way it connects theory and "real world" issues. The application to theory makes it
