~~Specs NN-SD786S Countertop Panasonic~~
 The NN-SD987SA is a Panasonic Genius Prestige model that is mostly similar to the NN-SD975S, but lacks the Cyclonic Wave technology. Looks like Panasonic may have superseded this model with the SD975S. I just bought an SD987SA and it includes interior led illumination. Panasonic indicates this in their specs for this model. However, there is nothing in the specs for the SD945 or SD975 models ...

~~Questions and Answers: Panasonic NN-SD987SA Best-Buy~~
 A: Answer The NN-SD945S is a Panasonic Genius microwave, but not a Panasonic Genius "Prestige". This means it has the regular stainless steel enclosure, regular glass window, standard main control knob; and when comparing it to the SD975S a major functional difference is that it lacks the new Cyclonic Wave technology. The NN-SD975S is a Panasonic Genius Prestige version which means it has the ...

A comprehensive history of American women writers explores the contributions of more than 250 female authors--both famous and little-known--to every field of literary endeavor and reflects on their role in the evolution of our American literary heritage.

Noted logician discusses both theoretical underpinnings and practical applications, exploring set theory, model theory, recursion theory and constructivism, proof theory, logic's relation to computer science, and other subjects. 1981 edition, reissued by Dover in 1993 with a new Postscript by the author.

The leading expert in the field brings the power of his experience and that of the world-renowned consulting firm Booz-Allen & Hamilton to reveal how buying smart can mean the difference between success and failure.

Fifteen years have passed since the devastating war between the Galt Empire and the cities of the Khaiem in which the Khaiem's poets and their magical power known as "andat" were destroyed, leaving the women of the Khaiem and the men of Galt infertile. The emperor of the Khaiem tries to form a marriage alliance between his son and the daughter of a Galtic lord, hoping the Khaiem men and Galtic women will produce a new generation to help create a peaceful future. But Maati, a poet who has been in hiding for years, driven by guilt over his part in the disastrous end of the war, defies tradition and begins training female poets. With Eiah, the emperor's daughter, helping him, he intends to create andat, to restore the world as it was before the war. Vanjit, a woman haunted by her family's death in the war, creates a new andat. But hope turns to ashes as her creation unleashes a power that cripples all she touches. As the prospect of peace dims under the lash of Vanjit's creation, Maati and Eiah try to end her reign of terror. But time is running out for both the Galts and the Khaiem. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

When a little brown wren of an Englishwoman bursts into Jamie Heyworth's private Hell and asks for help he mistakes her for the black crow of death. Why not? He fled to Rome and sits in despair with nothing left to sell and no reason to get up in the morning. Behind him lie disgrace, shame, and secrets he is desperate to keep. Nora Haley comes to Rome at the bidding of her dying brother who has an unexpected legacy. Never in her sunniest dreams did Nora expect Robert to leave her a treasure, a tiny black-eyed niece with curly hair and warm hugs. Nora will do anything to keep her, even hire a shabby, drunken major as an interpreter. Jamie can't let Nora know the secrets he has hidden from everyone, even his closest friends. Nora can't trust any man who drinks. She had enough of that in her marriage. Either one, however, will dare anything for the little imp that keeps them together, even enter a sham marriage to protect her. And don't miss Dangerous Works, where Jamie first appeared.

A cross-country runner is buddies with all the guys--but what happens when she wants to be more than that?

'The Tudor age' is worthwhile for its fascinating descriptions of daily life and anecdotes about the era's famous figures. It will be an informative and attractive addition to public library shelves.

Exploring the powerful role of trees in healing the body and calming the mind. Trees are a vital part of human existence; they provide us with oxygen, stabilise the soil beneath us and give life to much of the world's wildlife. As the longest-living species on earth, they are a symbol power, wisdom and fertility, and are a link between our past,present and future. In this beautiful and personal guide, author Patrice Bouchardon takes an in-depth look at the history of trees, and then shares his knowledge about their healing benefits - for the mind, body and spirit. Through the use of meditative exercises, tree oils and energies found in specific species,this book will be your guide to connecting with the healing power of trees. Chapters: Chapter 1: What nature means to us Chapter 2: The healing process Chapter 3: Expanding our perception of trees Chapter 4: The healing trees Chapter 5: Healing with tree energies

1,300-plus tips for better health give you the keys to a happier, healthier, longer, more fulfilling life right now.
