Radiance (Wraith Kings #1) by Grace Draven. CHAPTER ONE. Today was Ildiko's wedding day, and if she managed not to retch on herself or a guest, she'd consider the entire event a resounding success. Her maids refused to meet her gaze while they laced her into her gown and twitched the train into perfect folds, but she'd caught their looks of pity mixed with horror from the corner of her eye.

Radiance has that very traditional fantasy feel to it; we have a princess, Ildiko, in a fantastical kingdom who's due to marry a neighbouring prince whom she's never met before. From there, however, the novel steers away from the typical arranged marriage fantasy story.

In 'Radiance' the couple's agreement results in a loyal friendship and then keeps evolving into something more. The cultural differences are key to this lovely book, but there is also adventure and a touching romance. I enjoyed the humour too as Ildiko uses her 'scary ghost' looks to tease her Kai companions.

In this USA Today bestselling novel, a woman with power over fire and illusion and the enslaved son of a chieftain battle a corrupt empire in this powerful and deeply emotional romantic fantasy. Every year, each village is required to send a young woman to the Empire's capital--her fate to be burned alive for the entertainment of the masses. For the last five years, one small village's tithe has been the same woman. Gilene's sacrifice protects all the other young women of her village, and her secret to staying alive lies with the magic only she possesses. But this year is different. From the New York Times bestselling author of *The Unhoneymooners* and the “delectable, moving” (*Entertainment Weekly*) *My Favorite Half-Night Stand* comes a modern love story about what happens when your first love reenters your life when you least expect it... Sam Brandis was Tate Jones’s first: Her first love. Her first everything. Including her first heartbreak. During a whirlwind two-week vacation abroad, Sam and Tate fell for each other in only the way that first loves do: sharing all of their hopes, dreams, and deepest secrets along the way. Sam was the first, and only, person that Tate—the long-lost daughter of one of the world’s biggest film stars—ever revealed her identity to. So when it became clear her trust was misplaced, her world shattered for good.

Fourteen years later, Tate, now an up-and-coming actress, only thinks about her first love every once in a blue moon. When she steps onto the set of her first big break, he’s the last person she expects to see. Yet here Sam is, the same charming, confident man she knew, but even more alluring than she remembered. Forced to confront the man who betrayed her, Tate must ask herself if it’s possible to do the wrong thing for the right reason... and whether “once in a lifetime” can come around twice. With Christina Lauren’s signature “beautifully written and remarkably compelling” (*Sarah J. Maas*, New York Times bestselling author) prose and perfect for fans of *Emily Giffin* and *Jennifer Weiner*, *Twice in a Blue Moon* is an unforgettable and moving novel of young love and second chances.

Captivating and action-packed, *From Blood and Ash* is a sexy,

addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Here is a spellbinding novel about a brother and sister who have lost their way; about how myths come to pass, history is written, and war stains us forever.
