A new Strawberry Flavoured mouthwash causes a stir on the Wirral. Sales are through the roof but people are strangely falling ill. Scott Black from Dangerwatch investigates...

The RHS Diary 2019 brings together a beautiful collection of botanical illustrations by Beatrix Stanley, showcasing work held in the RHS's world-famous Lindley Library. This week-to-view diary is illustrated in colour throughout and has a ribbon marker.

This groundbreaking book offers a step-by-step approach for drummers of all styles to learn and apply the concept of open-handed playing on the modern drumset. Based on concepts developed by teaching great Jim Chapin and fusion legend Billy Cobham, *Open-Handed Playing* not only outlines all the benefits of avoiding the crossing of hands when playing the drumset, but provides an incredibly detailed, complete and approachable method for learning this technique. "There is a wealth of ideas and exercises that offer students inspiration to develop their own approaches and applications." Tom Morgan, *Percussive Notes*

Paleontological Resources Preservation (US Forest Service Regulation) (FS) (2018 Edition) The Law Library presents the complete text of the Paleontological Resources Preservation (US Forest Service Regulation) (FS) (2018 Edition). Updated as of May 29, 2018 The U.S. Department of Agriculture (USDA or Department) is implementing regulations under the Omnibus Public Land Management Act of 2009 paleontological resources preservation subtitle (the Act). This rule provides for the preservation, management, and protection of paleontological resources on National Forest System lands (NFS), and insures that these resources are available for current and future generations to enjoy as part of America's national heritage. The rule addresses the management, collection, and curation of paleontological resources from NFS lands including management using scientific principles and expertise, collecting of resources with and without a permit, curation in an approved repository, maintaining confidentiality of specific locality data, and authorizing penalties for illegal collecting, sale, damaging, or otherwise altering or defacing paleontological resources. This book contains: - The complete text of the Paleontological Resources Preservation (US Forest Service Regulation) (FS) (2018 Edition) - A table of contents with the page number of each section

With intense competition for top management jobs and increased pressure on organizations to select the best candidates, more and more firms are now using challenging psychometric tests as part of their recruitment and assessment procedures. Also used to identify management potential in existing staff, tests are increasingly used to select the weakest employees when job cuts beckon. Management Level Psychometric Assessments offers more types of assessment than any other management testing book. Ideal for managers applying for supervisory roles or jobs on the board, for promotions as well as new employment, it includes tests on quantitative reasoning, currency conversion, verbal reasoning, decision analysis, situational awareness and visual estimation. Along with detailed answers and explanations, it places particular emphasis on getting you test-ready, with advice on the presentation part of your assessment and crucial information on which tests you are most likely to face for your industry. Management Level Psychometric Assessments is an invaluable resource providing all the practice you need to pass those tests and succeed against the competition.
