Simplicity and freedom are made for each other and supposed to fit together life. Richard Rohr shows how this can be done if we allow ourselves to let go of all the nonessential things in our lives. Bringing God back into the center of our lives and our souls centers us and reminds of why we are in this word.

simplicity the freedom of letting go - jittivy.lgpfc.co.uk

The spiritualities of all great world religions teach us letting go, or how to step aside. I believe that we have, especially in the northern European countries, transformed the Gospel into self-control. On the other hand I'm convinced that the Gospel itself is about self-surrender. Self-control is a masculine way of thinking.

The author introduces the reader to the vision of the Franciscan way of living, where joy, not dry theology helps us build relationships and find peace in ourselves.

A powerful call to the simple joys of life by America's foremost Franciscan. Bestselling author Rohr's radically simple call is to dare to trust in God and to trust in life and what it brings you. Rohr doesn't endorse passivity but active trust, finding the balance between commitment in the world and the ability to let go in God.

A revised and updated edition of the manifesto that shows how simplicity is not merely having less stress and more leisure but an essential spiritual discipline for the health of our soul.

"The most valuable aspect of religion," writes Robert Lawrence Smith, "is that it provides us with a framework for living. I have always felt that the beauty and power of Quakerism is that it exhorts us to live more simply, more truthfully, more charitably." Taking his inspiration from the teaching of the first Quaker, George Fox, and from his own nine generations of Quaker forebears, Smith speaks to all of us who are seeking a way to make our lives simpler, more meaningful, and more useful. Beginning with the Quaker belief that "There is that of God in every person," Smith explores the ways in which we can harness the inner light of God that dwells in each of us to guide the personal choices and challenges we face every day. How to live and speak truthfully. How to listen for, trust, and act on our conscience. How to make our work an expression of the best that is in us. Using vivid examples from his own life, Smith writes eloquently of Quaker Meeting, his decision to fight in World War II, and later to oppose the Vietnam War. From his work as an educator and headmaster to his role as a husband and father, Smith quietly convinces that the lofty ideals of Quakerism offer all of us practical tools for leading a more meaningful life. His book culminates with a moving letter to his grandchildren which imparts ten lessons for "letting your life speak."

This ground breaking work goes beyond the books that tell you how to simplify your life. This book reveals what has happened in the lives of real people who have done it. Based on the author's three-year study of over 200 people from 40 states and eight countries, Choosing Simplicity is a delightful and rich blend of real-life profiles and guidelines on simplicity. Interwoven throughout the stories are the author's insights and guidance for those who want to explore simplicity and those who have already embarked on this journey. The book also includes a 16-page Resource Guide with reviews of 42 books on simplicity, information on related web sites, organizations, simplicity study circles, workshops, newsletters and magazines.

Explores the Gospel According to Matthew, especially the Sermon on the Mount, considered the blueprint of the Christian lifestyle, emerging with a clearer understanding of the Nazorean rabbi who preached it and the Gospel writers, especially Matthew, who passed it on to us. Original.

You can follow the rules or you can follow your heart... THE MOMENT OF LETTING GO Sienna Murphy never does anything without a plan. And so far her plans have been working. Right after college, she got a prestigious job and gained the stability she'd always craved-until work takes her to the sun-drenched shores of Oahu and places her in the path of sexy surfer Luke Everett. For the first time, she lets her heart take control. Drawn to his carefree charm, she makes a spontaneous and very un-Sienna-like decision to drop everything and stay in Hawaii for two more weeks. Luke lives fast and wild. When he meets Sienna, he's convinced that some no-strings-attached fun is just what she needs. As their nights quickly turn from playful to passionate, Luke can't deny the deep connection he feels. But there's a reason Luke doesn't do long-term. He can't promise Sienna forever, when the enormity of his past has shown him just how fragile the future can be. . .

Do you feel overwhelmed right now with all the pressures and uncertainties of life? Does the thought of your past failures, failed relationships and negative labels drag you down? Have you ever wished that you could just leave everything behind and start fresh? Are you ready to finally let go, move on and live a happy and joyful life? If you keep bringing negative baggage from yesterday, it will eventually poison your future. You may have had an unfair past, but the truth is, you don ' t need to have an unfair future. You may have had a rough start in your marriage, your business, your career – but it ' s not how you start that matters most, it ' s how you finish. Let us begin the exploration of your journey towards " surrendering " in this book. And may we all find the strength to let go, the capacity to forgive, and the faith to move on.

To the modern mind, the concept of poverty is often confused with destitution. But destitution emphatically is not the Gospel ideal. A love-filled sharing frugality is the message, and Happy Are You Poor explains the meaning of this beatitude lived and taught by Jesus himself. But isn't simplicity in lifestyle meant only for nuns and priests? Are not all of us to enjoy the goodness and beauties of our magnificent creation? Are parents to be frugal with the children they love so much? The renowned spiritual writer Dubai gives surprising replies to these questions. He explains how material things are like extensions of our persons and thus of our love. If everyone lived this love there would be no destitution. After presenting the richness of the Gospel message, more beautiful than any other world view, he explains how Gospel frugality is lived in each state of life.

Imagine you are doing less but being more productive. Imagine consuming less or owning less but being more content. Imagine having more time to do more meaningful things. Imagine being right there where you want to be without fretting and rushing about. Imagine living a simpler, lighter and happier life. We have lost sight of the art of simple living. The good news? It's always there and it doesn't take a moon mission to get there. This book is purely designed to guide you there Society has become increasingly complex. Each day we run through multiple tasks, maintain different relationships with our peers and family, sift through massive amounts of information and take quick decisions that in some way affects our future.We are doing more but we are not necessarily more productive. We are consuming more but we are not necessarily richer or healthier. We are experiencing more but we are not any wiser. We are constantly on the move but not getting anywhere in particular. We own more stuff but perhaps not happier. So what's the point? You can start learning the art of simple living or minimalist living today and change your life dramatically. Minimalist living means decluttering your life from all the stuff that is inessential to your life purpose and happiness. A simple life is not one where you renounce all things in life but one where you create more space to accommodate the real and meaningful things essential to your life progress. In this book you will learn: How to get rid of those things that are inessential to your life and that are just weighing you down - The simplest life-changing thing ever! How to let go of the mental blockers and beliefs that are holding you from simplifying your life and aligning with your life purpose (Very powerful!) How to simplify and declutter you living and working space - an effective how to guide How to manage your time more effectively - little practical secrets that always work like a charm How to organise yourself in super effective routines that will minimize work and clutter to a bare minimum How to focus on what is essential for yourself and loved ones - Live without needless worries, hassle and problems Discover effective ways to simplify your work and business through smart use of technology and leveraging on other people's skills! How to stay focused and avoid distractions from information overload Learn how to simplify your decision making and make elegant choices effortlessly How to focus on things that are in line with your purpose and getting more done with less work and effort How to smartly prioritise your tasks at work or business and keep on top of things with less stress A smart approach to manage your email and avoid letting your inbox take over you Understand the simple but powerful rules of creating healthy & loving relationships How to bring simplicity into parenting - a guide to help you simplify parenting & understand what is best for your children
