Being a kid with wings -- constantly on the run -- has never been easy, and Max and her flock are more tense than ever. Angel says that Fang will be the first to die, and Angel is never wrong.

Maximum Ride is used to living desperately on the run from evil forces sabotaging her quest to save the world-but nothing has ever come as close to destroying her as this horrifying prophetic message. Fang is Max's best friend, her soul mate, her partner in the leadership of her flock of winged children. A life without Fang is a life unimaginable. When a newly created winged boy, the magnificent Dylan, is introduced into the flock, their world is upended yet again. Raised in a lab like the others, Dylan exists for only one reason: he was designed to be Max's perfect other half. Thus unfolds a battle of perfection versus passion that terrifies,

twists, and turns . . . and meanwhile, the apocalypse is coming.

Max Ride and her best friends are up against a deadly force, but Fang is gone just when they need him most. Will they be ready for the ultimate showdown? Max Ride and her best friends have always had one another's backs-no matter what. Living on the edge as fugitives, they never had a choice. But now they're up against a deadly force that's racing across the globe, and just when they need him the most, Fang is gone. He's creating his own gang that will replace everyone-including Max. Max is heartbroken over losing Fang, her soul mate. Her closest friend. But with Dylan ready and willing to fight by her side, and she can no longer deny that his incredible intensity draws her in. Max, Dylan, and the rest of their friends must soon join forces with Fang and his new gang for an

explosive showdown in Paris that's unlike anything you've ever imagined . . . or read.

Hold on tight for the wildest ride yet as Max and the flock take on global warming -- Earth's biggest threat -- in this #1 New York Times bestselling series. Max returns in a chilling adventure unlike any other. Safe havens for the six highly hunted winged kids have become increasingly hard to find, so the flock takes refuge in Antarctica with a team of environmentalists studying the effects of global warming. In this remote wilderness -- whether pursued by corrupt governments, bioengineered bad-guys, or the harsh forces of nature -- survival of the fittest takes a new twist!
