At 8:15 A.M., a small commuter plane carrying forty-seven passengers crashes into an apartment building in Granada Hills, California. Among the dead inside the plane's charred and twisted wreckage are the unidentified bodies of four extra travelers. And there's no sign of an airline employee whose name was on the passengers list. L.A.P.D. Detective Peter Decker and his wife, Rina, are profoundly shaken by this terrible "accident" that has occurred frighteningly close to their daughter's school. And an irate call from the unaccounted-for flight attendant's stepfather further tangles an already twisted mystery. The man insists twenty-eight-year-old Roseanne Dresden was never on the doomed flight, but was probably murdered by her abusive, unfaithful husband—a revelation that propels Decker down a path of tragic history and deadly lies toward an unimaginable evil that will challenge his and Rina's cherished beliefs about guilt and innocence and justice.

At 8:15 in the morning, a small commuter plane carrying forty-seven passengers crashes into an apartment building in Granada Hills, California. Shock waves ripple through Los Angeles, as L.A.P.D. Lieutenant Peter Decker works overtime to calm rampant fears of a 9/11-type terror attack. But a grisly mystery lives inside the plane's charred and twisted wreckage: the unidentified bodies of four extra travelers. And there is no sign of an airline employee who was supposedly on the catastrophic flight. Decker and his wife, Rina, have personal reasons for being profoundly shaken by the tragedy, since the "accident" occurred frighteningly close to their daughter Hannah's school. Luckily, their child and her schoolmates escaped unscathed. But the fate of the unaccounted-for flight attendant—twenty-eight-year-old Roseanne Dresden—remains a question mark more than a month after the horrific event, when the young woman's irate stepfather calls, insisting that she

was never onboard the doomed plane. Instead, he claims, she was most likely murdered by her abusive, unfaithful husband. But why, then, was Roseanne's name included on the passenger list? Under intense pressure from the department to come up with answers, Decker launches an investigation that carries him down a path of tragic history, dangerous secrets, and deadly lies—and leads him to the corpse of a three-decades-missing murder victim. And as the jagged pieces slowly fall into place, a frightening picture begins to form: a mind-searing portrait of unimaginable evil that will challenge Decker's and Rina's own beliefs about guilt and innocence and justice. Combining relentless suspense with intense, multilayered human drama, *The Burnt House* is Faye Kellerman at her mesmerizing best.

The sixteenth book in the hugely popular Peter Decker and Rina Lazarus series from New York Times bestselling author Faye Kellerman

Detective Peter Decker of the LAPD is stunned when he gets the report. Someone has shattered the sanctuary of a remote yeshiva community in the California hills with an unimaginable crime. One of the women was brutally raped as she returned from the mikvah, the bathhouse where the cleansing ritual is performed. The crime was called in by Rina Lazarus, and Decker is relieved to discover that she is a calm and intelligent witness. She is also the only one in the sheltered community willing to speak of this unspeakable violation. As Rina tries to steer Decker through the maze of religious laws, the two grow closer. But before they get to the bottom of this horrendous crime, revelations come to light that are so shocking, they threaten to come between the hard-nosed cop and the deeply religious woman with whom he has become irrevocably linked.

LAPD Lieutenant, Peter Decker reluctantly agrees to do a big favor for old friend, Teresa McLaughlin, but when she and her husband disappear, Decker's search is interrupted by the gruesome murder of a young health care worker. 250,000 first printing.

The brutal murder of Dr. Azor Sparks in an alley behind a restaurant is greeted with public outrage and a demand for swift, sure justice. But the investigation into the well-known surgeon's death is raising too many questions and providing too few answers for homicide detective Lieutenant Peter Decker. Why, for example, would the family of a man so beloved respond to his slaying with more surprise than grief? And what linked a celebrated doctor with strict fundamentalist beliefs to a gang of outlaw bikers? But the most unsettling connection of all is the one that ties the tormented Sparks family to Peter Decker's own -- and the secrets shared by a renegade Catholic priest...and Decker's wife, Rina Lazarus.

Faye Kellerman returns with an atmospheric, face-paced mystery set in bucolic upstate New York, full of unexpected twists and turns that build to a shocking and surprising end--the latest thrilling entry in her New York Times bestseller Decker/Lazarus series. When Bertram Telemann, a developmentally disabled man, goes missing from a local diner near Greenbury, the entire community of the small upstate New York town volunteers to search the surrounding woods in hopes of finding him. High functioning and independent, Bertram had been on a field trip with the staff and fellow residents of the Loving Care Home when he vanished. When no trace of the man is found, the disappearance quickly becomes an official missing persons case and is assigned to detectives Peter Decker and his partner Tyler McAdams. As their investigation deepens, the seasoned Decker becomes convinced that Bertram hadn't lost his way, but had left with someone he knew. Soon Decker discovers that Elsie Schulung, a recently fired nurse who had worked at the home, seemed to be especially interested in Bertram. But answers proves elusive when Elsie disappears and human blood is found in her kitchen. But the complications are only beginning. While combing the woods, searchers discover the remains of one of three young men who had vanished during a camping trip. And for Decker, personal problems are adding pressure as well. After a ten-year absence, the biological mother of Decker's and Rina's foster son, Gabriel, has suddenly appeared in New York, children in tow, wreaking emotional havoc on the

young man. Juggling the personal and professional, a hot case and a cold case, Decker and McAdams race to find answers, sifting through cabinets of old files, a plethora of clues and evidence, and discouraging dead ends. As on-going searches for Bertram and the campers' missing remains continue, the frustrated detectives begin to wonder if the woods will ever give up its dark secrets . . . and if these intertwining cases will be solved.

In the silent pre-dawn city hours -- alone with his thoughts about Rina Lazarus, the woman he loves, three thousand miles away in New York -- LAPD detective Peter Decker finds a small child, abandoned and covered in blood that is not hers. It is a sobering discovery, and a perplexing one, for nobody in the development where she was found steps forward to claim the little girl. Obsessed more deeply by this case than he imagined possible, Decker is determined to follow the scant clues to an answer. But his trail is leading him to a killing ground where four bodies lie still and lifeless. And by the time Rina returns, Peter Decker is already held fast in a sticky mass of hatred, passion, and murder -- in a world where intense sweetness is accompanied by a deadly sting.

In this thrilling chapter in Faye Kellerman ' s bestselling series, Rina Lazarus makes a shocking discovery in the woods of her upstate New York community that leads her husband, police detective Peter Decker, through a series of gruesome, decades old, unsolved murders, pointing to a diabolical, serial killer who ' s been hiding in plain sight. On a bright and crisp September morning, while walking a bucolic woodland trail, Rina Decker stumbles upon human remains once buried deep beneath the forest grounds. Immediately, she calls her husband, Peter, a former detective lieutenant with LAPD, now working for the local Greenbury Police. Within hours, a vista of beauty and tranquility is transformed into a frenetic crime scene. The body has been interred for years and there is scant physical evidence at the gravesite: a youthful skeleton, a skull wound and long dark strands of hair surrounding the bony frame. As Decker and his partner, Tyler McAdams, further investigate, they realize that they ' re most likely dealing with a missing student from the nearby Five Colleges of Upstate—a well-known and well-respected consortium of higher learning where Rina works. And when more human remains are found in the same area, Decker and McAdams know this isn ' t just a one-off murder case. Short-staffed and with no convenient entry into the colleges, Decker enlists Rina ' s help to act as the eyes and ears of campus gossip. Winding their way through a dangerous labyrinth of steely suspects and untouchable academics, Decker, McAdams, and Rina race to protect their community from a psychopathic killer still in the area—and on the hunt for a fresh victim.
