Amazon.com: The Essential Ellison: A 50 Year Retrospective ...

The Essential Ellison. In April of 1949, Harlan Ellison was a lonely little kid living in Painesville, Ohio. A time traveler, observing him from within an invisible bubble, would not have marked him as anything more interesting than an undersized fourteen-year-old, seemingly always in hot water.

The Essential Ellison by Harlan Ellison

Harlan Ellison is one of the all-time greats of science fiction. He has that genius for finding the right word that makes the hair on the back of the reader’s neck stand up. His writing has mostly been in short formats, which makes it hard to assemble a good selection without looking for dozens of odd paperbacks.

The Essential Ellison: A 50 Year... book by Harlan Ellison. Science Fiction & Fantasy Books > Sci-Fi Anthologies.

An illustrated retrospective of the work of the acclaimed writer includes short stories, essays, personal reminiscences, and more

Eight timeless tales from the master of speculative fiction, featuring the Nebula and Hugo Award-winning story [[Repent, Harlequin]] Said the Ticktockman.]] Robert Heinlein says, "[[This book is raw corn liquor|you should serve a whiskbroom with each shot so the customer can brush the sawdust off after he gets up from the floor.]] Perhaps a mooring cable might also be added as necessary equipment for reading these eight wonderful stories. They not only knock you down ... they raise you to the stars. Passion is the keynote as you encounter the Harlequin and his nemesis, the dreaded Tictockman, in one of the most reprinted and widely taught stories in the English language; a pyretic who creates fire merely by willing it; the last surgeon in a world of robot physicians; a spaceship filled with hideous mutants rejected by the world that gave them birth. Touching, gentle, and shocking stories from an incomparable master of impossible dreams and troubling truths.

[[One of the great ... American short-story writers]] exposes the darkness of the human heart in these speculative tales of terror and tragedy (George R. R. Martin). A five-year-old boy never ages, living as an immortal in a past that no longer exists while the world encroaches upon his innocence, in the Hugo and Nebula Award-winning [[Jeffy Is Five.]] An alien attack leaves Earth on the brink of Armageddon, as humans find themselves unable to resist the sexual allure of their invaders in [[How's the Night Life on Cissalda?]] In the Nebula Award-nominated [[Shatterday]] (subsequently adapted into the pilot episode of the second Twilight Zone series), a man fights for his life against a relentless enemy who knows his darkest secrets|his own doppelganger. In these and other thought-provoking stories, legendary author Harlan Ellison dissects the primal fears and inherent frailties common to all people and gives voice to the thoughts and feelings human beings bury deep within their souls. Unflinching and unapologetic, Ellison depicts men and women in all their ugliness and beauty, and humanity in all its fury and glory. Stories include [[Introduction: Mortal Dreads.]] [[Jeffy Is Five.]] [[How's the Night Life on Cissalda?]] [[Flop Sweat.]] [[Would You Do It For a Penny?]] (written in collaboration with Haskell Barkin), [[The Man Who Was Heavily Into Revenge.]] [[Shoppe Keeper.]] [[All the Lies That Are My Life.]] [[Django.]] [[Count the Clock That Tells the Time.]] [[In the Fourth Year of the War.]] [[Alive and Well on a Friendless Voyage.]] [[All the Birds Come Home to Roost.]] [[Opium.]] [[The Other Eye of Polyphemus.]] [[The Executioner of the Malformed Children.]] and [[Shatterday.]]

Winner of the World Fantasy Award for best short story collection, this volume by one of the most acclaimed authors of the 20th century takes an intense look at how the specter of death haunts everyday life.

An updated anthology featuring the work of the acclaimed author features more than seventy-five short stories--including sixteen previously uncollected tales--as well as essays, reviews, personal reminiscences, a teleplay, and a novella. Simultaneous.

[[An enjoyable, irascible collection]] of smart and sometimes-scathing film criticism from a famously candid author (Library Journal). Everyone's a critic, especially in the digital age|but no one takes on the movies like multiple award-winning author Harlan Ellison. Renowned both for fiction (A Boy and His Dog) and pop-culture commentary (The Glass Teat), Ellison offers in this collection twenty-five years| worth of essays and film criticism. It's pure, raw, unapologetic opinion. Star Wars? [[Luke Skywalker is a nerd and Darth Vader sucks runny eggs.]] Big Trouble in Little China? [[A cheerfully blathering live-action cartoon that will give you release from the real pressures of your basically dreary lives.]] Despite working within the industry himself, Ellison never learned how to lie. So punches go unpulled, the impersonal becomes personal, and sometimes even the critics get critiqued, as he shares his views on Pauline Kael or Siskel and Ebert. Ultimately, it's a wild journey through the cinematic landscape, touching on everything from Fellini to the Friday the 13th franchise. As Leonard Maltin writes in his preface, "[[I don't know how valuable it is to learn Harlan Ellison's opinion of this film or that, but I do know that reading an Ellison essay is going to be provocative, infuriating, hilarious, or often a combination of the above. It is never time wasted. ... Let me assure you, Harlan Ellison is never dull.]]"

Masterpieces of myth and terror about modern gods from technology to drugs to materialism|[[fantasy at its most bizarre and unsettling]] (The New York Times). As Earth approaches Armageddon, a man embarks on a quest to confront God in the Hugo Award-winning novelette, [[The Deathbird.]] In New York City, a brutal act of violence summons a malevolent spirit and a growing congregation of desensitized worshippers in [[The Whimper of Whipped Dogs.]] an Edgar Award winner influenced by the real-life murder of Queens resident Kitty Genovese in 1964. In [[Paingod.]] the deity tasked with inflicting pain and suffering on every living being in the universe questions the purpose of its cruel existence. Deathbird Stories collects these and sixteen more provocative tales exploring the futility of faith in a faithless world. A legendary author of speculative fiction whose best-known works include A Boy and His Dog and I Have No Mouth, and I Must Scream|and whose major awards and nominations number in the dozens, Harlan Ellison strips away convention and hypocrisy and lays bare the human condition in modern society as ancient gods fade and new deities rise to appease the masses|gods of technology, drugs, gambling, materialism|that are as insubstantial as the beliefs of those who venerate them. In addition to his Nebula, Hugo, World Fantasy, Bram Stoker, Edgar, and other awards, Ellison was called [[one of the great living American short story writers]] by the Washington Post|and this collection makes it clear why he has earned such an extraordinary assortment of accolades. Stories include: [[Introduction: Oblations at Alien Altars]] [[The Whimper of Whipped Dogs]] [[Along the Scenic Route]] [[On the Downhill Side]] [[O Ye of Little Faith]] [[Neon]] [[Basilisk]] [[Pretty Maggie Moneyeyes]] [[Corpse]] [[Shattered Like a Glass Goblin]] [[Delusion for a Dragon Slayer]] [[The Face of Helene Boumouw]] [[Bleeding Stones]] [[At the Mouse Circus]] [[The Place with No Name]] [[Paingod]] [[Ernest and the Machine God]] [[Rock God]] [[Adrift Just Off the Islets of Langerhans: Latitude 38° 54' N, Longitude 77° 00' 13" W]] [[The Deathbird]]

Designed as both an introduction to Harlan Ellison's vast body of work and as a manual for would-be writers, Harlan 101 collects the best of the author's short fiction, seven essays on the craft of writing, and a collection of rarely seen oddities from Ellison's extensive archives. This 400-page paperback features: An introduction by New York Times bestseller Neil Gaiman, author of the Hugo Award-winning novels American Gods and The Graveyard Book, and creator of Vertigo Comics' Sandman series. The first appearance in a widely available Ellison collection of his newest short story-the 2011 Nebula Award-winning "How Interesting: A Tiny Man." Five Hugo Award-winning short stories, including "Repent, Harlequin," "I Have No Mouth, and I Must Scream," "The Deathbird," "Jeffy Is Five," and "Paladin of the Lost Hour." "Snake in the Crypt":The never-before-republished story that Ellison rewrote to become "The Deathbird." See how this average tale was re-worked into a Hugo Award-winning novelette. The lost ending to "Paladin of the Lost Hour"-This ending only appeared in the very first publication of the short story in the 1985 anthology Universe 15; it has never been reprinted. A disturbing and, as-yet, unfinished short story titled "Pet." Seven informative, yet entertaining essays on the craft of writing (four which have never appeared in an Ellison collection). Plus sixteen other stories-some subtly revised for this publication-spanning Ellison's career. From the 1950s comes "The Sky is Burning." The 1960s are represented by "All the Sounds of Fear" and "Pretty Maggie Moneyeyes." The Ellison of the 1970s appears in "At the Mouse Circus," "Basilisk," "Hindsight: 480 Seconds," "The Man Who Was Heavily Into Revenge," "Shatterday," "Shoppe Keeper," and "Strange Wine." The 1980s offerings include "Broken Glass," "Grail," "On the Slab," and "Prince Myshkin, and Hold the Relish," while the 1990s bring forth "The Man Who Rowed Christopher Columbus Ashore" and "Sensible City."

Twenty-one works from [[one of the most brilliant, innovative, and eloquent writers on earth.]] including the award-nominated novella Mefisto in Onyx (Publishers Weekly). Harlan Ellison celebrates four decades of writing and publishes his seventieth book, this critically acclaimed, wildly imaginative, and outrageously creative collection. The Edgar Award-nominated novella Mefisto in Onyx is the centerpiece, surrounded by screenplays, an introduction by the author, interspersed segments of autobiographical narrative, and such provocatively titled entries as [[The Man Who Rowed Columbus Ashore.]] [[Anywhere But Here, With Anybody But You.]] [[Crazy As a Soup Sandwich.]] [[Chatting With Anubis.]] [[The Dragon on the Bookshelf.]] (written in collaboration with Robert Silverberg), [[The Dreams a Nightmare Dreams.]] [[Pulling Hard Time.]] and [[Midnight in the Sunken Cathedral.]]

A remarkably trenchant collection of early stories by [[the dark prince of American letters]] exploring the injustice and desperation of a forgotten America (Pete Hamill, author of A Drinking Life). Bold and uncompromising, Gentleman Junkie and Other Stories of the Hung-up Generation is a watershed moment in Harlan Ellison's early writing career. Rather than dealing in speculative fiction, these twenty-five short stories directly tackle issues of discrimination, injustice, bigotry, and oppression by the police. Pulling from his own experience, Ellison paints vivid portraits of the helpless and downtrodden, blazing forth with the kind of unblinking honesty that would define his career. Reviewing this collection, Dorothy Parker called Ellison [[a good, honest, clean writer, putting down what he has seen and known, and no sensationalism about it.]]
