The Men Who Killed Gandhi by Manohar Malgonkar takes readers back into the pages of Indian history during the time of the partition, featuring the murder plot and assassination of Mahatma Gandhi. The Men Who Killed Gandhi is a spellbinding non fictional recreation of the events which led to India ' s partition, the eventual assassination of Gandhi, and the prosecution of those who were involved in Gandhi ' s murder. This historical reenactment is set against the tumultuous backdrop of the British Raj. Malgonkar ' s book is a result of painstaking research and from also having privileged access to many important documents and photographs related to the assassination. There is no doubt that Mahatma Gandhi played a leading role in obtaining independence from the British. But the problems that ensued afterwards, such as the structural rebuilding of the country and the Partition, led to many riots, massive migrations, and deep racial and cultural divides. Not everyone agreed with Gandhi and his ideals. As a result, a plot to assassinate Gandhi was devised by six individuals named, Narayan Apte, Gopal Godse, Madanlal Pahwa, Digambar Badge, and Nathuram Godse. This was eventually carried out in New Delhi, on the 30th of January, 1948. Eventually, these six individuals were tried and convicted. Four of them received life sentences while two of them received the death penalty. The first publication of The Men Who Killed Gandhi occurred in 1978, during the Emergency years. As a result, Malgonkar omitted many vital facts including Dr. Ambedkar ' s role in minimizing Savarkar ' s criminal conviction. This 11th edition of the text contains these omitted facts as well as rare documents, and photographs obtained from National Archives. After the four individuals who were convicted for Gandhi ' s murder completed their life sentences, they were interviewed by Malgonkar. These individuals revealed many details to him which were never known before. The author also received access to the Kapur Commission from his friend Mr. Nayar, who was in the Indian Police Service. As a result, The Men Who Killed Gandhi is considered the most historically accurate account of Gandhi ' s assassination plot.

The Men Who Killed Gandhi, a gripping recreation of India's partition, independence and Gandhi's assassination on January 31, 1948, was first published during the Emergency years. This made it incumbent upon me to omit certain vital facts, Malgonkar writes in the introduction , such as, for instance, Dr Bhimrao Ambedkar's secret assurance to Mr L B Bhopatkar, that his client, Mr V D Savarkar, had been implicated as a murder suspect on the flimsiest ground. The excised portions, along with rare photographs and documents from the National Archives are included in this 11th edition. This book is a reprint of the 1978 original, timed for the 60th anniversary of the event, with some additions in the form of rare photographs and documents unearthed by the publishers and not the author Manohar Malgonkar, now 95 and a virtual recluse. His account of the conspiracy, 30 years after the event, was a landmark effort that cemented his reputation as a historian. Of the six conspirators, Nathuram Godse, who fired the shot heard around the world, and Narayan Apte, who was by his side, were hanged. The other four were: Digambar Badge, who turned approver; Vishnu Karkare; Gopal Godse, Nathuram's younger brother; and Madanlal Pahwa. Malgonkar met them after they had served their life sentences and they spoke to him at great length. All four provided information they had not revealed before and Malgonkar produced perhaps the most complete account of the plot to assassinate Gandhi.

While the nation was celebrating Independence from British Rule and singing all praises for the ‘ Father of The Nation ’ – Mahatma Gandhi, the news of his assassination came as a shock. He was shot in the chest three times while he was walking towards the prayer grounds at the Birla House, New Delhi. The man behind the assassination – Nathuram Godse was a well known nationalist. He was arrested at the crime scene and sentenced to death after a year long trial. The book contains the final speech given by Godse in the court, mentioning the reason behind the drastic step he took.

On the assassination of Mohandas Karamchand Gandhi, 1869-1948.

On 21 May 1991, journalist Neena Gopal had finished just one part of an interview with Rajiv Gandhi—the last of his life—when his car reached the election rally at Sriperumbudur. Moments later, Rajiv Gandhi was dead, blown up by suicide bomber Dhanu, irrevocably changing the course of Indian politics, as Neena Gopal, just yards behind him, watched in horror. In this gripping, definitive book, Gopal reconstructs the chain of events in India and at the LTTE ’ s headquarters in Sri Lanka where the assassination plot was hatched, and follows the trail of investigation that led to the assassins being brought to justice. Drawing on extensive interviews, research and her own vast experience as a journalist, she deftly establishes the background—the shortsightedness of India ’ s Sri Lanka policy; the friction between the intelligence agencies and between the agencies and the external affairs ministry; the many warnings that went unheeded; and the implacable hatred that LTTE supremo Prabhakaran felt for Rajiv Gandhi. Bringing all these complex threads together, Gopal takes us step by step to Sriperumbudur as Rajiv Gandhi walked inexorably to his death on that tragic May evening twenty-five years ago.

An analysis of Gandhi's accomplishments as a politician and civil rights advocate reveals his conflicted ideologies and feelings about his place in history, offering insight into his philosophies, social campaigns, and private disappointments.

It is a learning lesson for all political leaders of the World to see and learn how a villainous person can make fool the countrymen having a Dress of half necked FAKIR (in the words of Winston Churchill) with his ethics of “ Non-Violence ” bringing division, destruction, slaughter in millions and then the mankind with “ Non-Violence ” when United Nations Secretary commented the person is a man of peace of mankind.

Manu Gandhi, M.K. Gandhi ’ s grand-niece, joined him in 1943 at the age of fifteen. An aide to Gandhi ’ s ailing wife Kasturba in the Aga Khan Palace prison in Pune, Manu remained with him until his assassination. She was a partner in his final yajna, an experiment in Brahmacharya, and his invocation of Rama at the moment of his death. Spanning two volumes, The Diary of Manu Gandhi is a record of her life and times with M.K. Gandhi between 1943 and 1948. Authenticated by Gandhi himself, the meticulous and intimate entries in the diary throw light on Gandhi ’ s life as a prisoner and his endeavour to establish the possibility of collective non-violence. They also offer a glimpse into his ideological conflicts, his efforts to find his voice, and his lonely pilgrimage to Noakhali during the riots of 1946. The first volume (1943 – 44) chronicles the spiritual and educational pursuits of an adolescent woman who takes up writing as a mode of self-examination. The author shares a moving portrait of Kasturba Gandhi ’ s illness and death and also unravels the deep emotional bond she develops with Gandhi, whom she calls her ‘ mother ’ .
