Yet her simple act of courage started a chain of events that forever shaped the landscape of American race relations. Now, decades after her quiet defiance inspired the modern civil rights movement, Mrs. Parks' own words tell of her courageous life, her passion for freedom and equality, and her strong faith.

Born on February 4, 1913 in Tuskegee, AL, Rosa Parks was raised by her mother and grandparents in Pine Level, Alabama. Her grandfather supported the Garvey movement and, when Klan violence escalated after World War I, would sit out on the porch with his shotgun to protect the family home. A 6-year-old Rosa would sometimes sit vigil with him.

The Rebellious Life of Mrs. Rosa Parks Quotes Showing 1-5 of 5 “When asked what gave her the strength and commitment to refuse segregation, (Rosa) Parks credited her mother and grandfather "for giving me the spirit of freedom... that I should not feel because of my race or color, inferior to any person.

~~The Rebellious Life of Mrs. Rosa Parks Quotes by Jeanne ...~~

The Rebellious Life of Mrs. Rosa Parks is a must for teachers, parents, and grandparents, to undo the damaging myths that essentially began and ended her political life on December 1, 1955, frozen in time as Dr. King was on August 28, 1963. Most Americans are unaware of their anti-war and anti-capitalist views.

About *The Rebellious Life of Mrs. Rosa Parks* (Young Readers Edition) This definitive biography of Rosa Parks accessibly examines her six decades of activism, challenging young readers perceptions of her as an accidental actor in the civil rights movement.

This biography examines Parks's life and 60 years of activism and brings the multifaceted,

Read Free The Rebellious Life Of Mrs Rosa Parks Jeanne Theoharis

decades-long civil rights movement in the North and South to life for young readers. Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. In this young readers' edition of the NAACP Image Award--winning *The Rebellious Life of Mrs. Rosa Parks*, Jeanne Theoharis shatters the myths that Parks was meek, accidental, tired, or middle class. She reveals a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks, from meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate view of the Black freedom struggle across the 20th century. Theoharis shows young readers how the national fable of Parks and the civil rights movement--celebrated in schools during Black History Month--has warped what we know about Parks and stripped away the power and substance of the movement. *The Rebellious Life of Mrs. Rosa Parks* illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people--and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people--in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. *The Rebellious Life of Mrs. Rosa Parks* will help do that for a new generation.

Now adapted for readers ages 12 and up, the award-winning biography that examines Parks's life and 60 years of radical activism and brings the civil rights movement in the North and South to life Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Adapted for young people from the NAACP Image Award—winning *The Rebellious Life of Mrs. Rosa Parks*, Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek, accidental, tired, or middle class. They reveal a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks, from standing up to white supremacist bullies as a young person to meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate view of the Black freedom struggle across the twentieth century. Theoharis and Colbert show young people how the national fable of Parks and the civil rights movement—celebrated in schools during Black History Month—has warped what we know about Parks and stripped away the power and substance of the movement. *The Rebellious Life of Mrs. Rosa Parks* illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people—and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people—in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. *The Rebellious Life of Mrs. Rosa Parks* will help do that for a new generation.

2014 NAACP Image Award Winner: Outstanding Literary Work – Biography / Auto Biography
2013 Letitia Woods Brown Award from the Association of Black Women Historians Choice Top 25 Academic Titles for 2013 The definitive political biography of Rosa Parks examines her six decades of activism, challenging perceptions of her as an accidental actor in the civil rights movement Presenting a corrective to the popular notion of Rosa Parks as the quiet seamstress who, with a single act, birthed the modern civil rights movement, Theoharis provides a revealing window into Parks's politics and years of activism. She shows readers how this civil rights movement radical sought—for more than a half a century—to expose and eradicate the American racial-caste system in jobs, schools, public services, and criminal justice.

The civil rights movement has become national legend, lauded by presidents from Reagan to Obama to Trump, as proof of the power of American democracy. This fable, featuring dreamy heroes and accidental heroines, has shuttered the movement firmly in the past, whitewashed the forces that stood in its way, and diminished its scope. And it is used perniciously in our own times to chastise present-day movements and obscure contemporary injustice. In *A More Beautiful and Terrible History* award-winning historian Jeanne Theoharis dissects this national myth-making, teasing apart the accepted stories to show them in a strikingly different light. We see Rosa Parks not simply as a bus lady but a lifelong criminal justice activist and radical; Martin Luther King, Jr. as not only challenging Southern sheriffs but Northern liberals, too; and Coretta Scott King not only as a "helpmate" but a lifelong economic justice and peace activist who pushed her husband's activism in these directions. Moving from "the histories we get" to "the histories we need," Theoharis challenges nine key aspects of the fable to reveal the diversity of people, especially women and young people, who led the movement; the work and disruption it took; the role of the media and "polite racism" in maintaining injustice; and the immense barriers and repression activists faced. Theoharis makes us reckon with the fact that far from being acceptable, passive or unified, the civil rights movement was unpopular, disruptive, and courageously persevering. Activists embraced an expansive vision of justice - which a majority of Americans opposed and which the federal government feared. By showing us the complex reality of the movement, the power of its organizing, and the beauty and scope of the vision, Theoharis proves that there was nothing natural or inevitable about the progress that occurred.

Two first-time teen voters meet at their polling place and fall in love over the course of one crazy day in this YA novel pitched as *THE KISSING BOOTH* meets *THE SUN IS ALSO A STAR*.

Provides the story of the black woman whose refusal to give up her seat on a bus in Alabama set in motion all the events of the civil rights movements that resulted in the end of the segregated South.

No discussion of the Civil Rights Movement is complete without the story of Rosa Parks. But what was this activist like as a child? Following young Rosa from a fishing creek to a one-room schoolhouse, from her wearing homemade clothes to wondering what "white" water tastes like, readers will be inspired by the experiences that shaped one of the most famous African-Americans in history.

The story of the black freedom struggle in America has been overwhelmingly male-centric, starring leaders like Martin Luther King, Jr., Malcolm X, and Huey Newton. With few exceptions, black women have been perceived as supporting actresses; as behind-the-scenes or peripheral activists, or rank and file party members. But what about Vicki Garvin, a Brooklyn-

Read Free The Rebellious Life Of Mrs Rosa Parks Jeanne Theoharis

born activist who became a leader of the National Negro Labor Council and guide to Malcolm X on his travels through Africa? What about Shirley Chisholm, the first black Congresswoman? From Rosa Parks and Esther Cooper Jackson, to Shirley Graham DuBois and Assata Shakur, a host of women demonstrated a lifelong commitment to radical change, embracing multiple roles to sustain the movement, founding numerous groups and mentoring younger activists. Helping to create the groundwork and continuity for the movement by operating as local organizers, international mobilizers, and charismatic leaders, the stories of the women profiled in *Want to Start a Revolution?* help shatter the pervasive and imbalanced image of women on the sidelines of the black freedom struggle. Contributors: Margo Natalie Crawford, Prudence Cumberbatch, Johanna Fernández, Diane C. Fujino, Dayo F. Gore, Joshua Guild, Gerald Horne, Ericka Huggins, Angela D. LeBlanc-Ernest, Joy James, Erik McDuffie, Premilla Nadasen, Sherie M. Randolph, James Smethurst, Margaret Stevens, and Jeanne Theoharis.

This book offers a revealing look at Rosa Parks, whose role as an activist and struggle with racism began long before her historic 1955 Montgomery, Alabama, bus ride. • Includes a timeline of critical people and events in Rosa Parks's life • Offers a bibliography of archival, newspaper, documentary, secondary, and internet resources

A classic book that traces Muhammad Ali's political development in the sixties When Muhammad Ali died, many mourned the life of the greatest sportsman the world had ever seen. In *Redemption Song*, Mike Marqusee argues that Ali was not only a boxer but a remarkable political figure in a decade of tumultuous change. Playful, popular, always confrontational, Ali refashioned the role of a political activist and was central, alongside figures such as Malcolm X and Martin Luther King, to the black liberation and the anti-war movements. Marqusee shows that sport and politics were always intertwined, and this is the reason why Ali remained an international beacon of hope, long after he had left the ring.
