Featuring 450 step-by-step, full-color photos, the book first establishes training basics, and then shows how to enhance core training sessions with classic tricks as well as advanced obedience games; agility training; jumping, retrieving, and digging tricks; flashy frisbee tricks—and useful tricks such as finding the remote, retrieving the newspaper, and cornering the cat.

The statistics are spine-chilling: One in four women will be assaulted in her lifetime. With Knack Self-Defense for Women, the female gender finally has a comprehensive, picture-driven guide to personal security that covers all the essential strategies to maximize personal safety. Full-color photos accompany step-by-step, detailed instructions on each move. You'll learn easy ways to improve your everyday security, and the book's hands-on chapters provide you with simple and effective tools, culled from more than twenty martial arts, that could prove vital during an assault. Post-assault strategies and crisis management are also covered, rounding out this indispensable resource to your new empowerment.

A comprehensive review of behavioral operations management that puts the focus on new and trending research in the field The Handbook of Behavioral Operations offers a comprehensive resource that fills the gap in the behavioral operations management literature. This vital text highlights best practices in behavioral operations research and identifies the most current research directions and their applications. A volume in the Wiley Series in Operations Research and Management Science, this book contains contributions from an international panel of scholars from a wide variety of backgrounds who are conducting behavioral research. The handbook provides succinct tutorials on common methods used to conduct behavioral research, serves as a resource for current topics in behavioral operations research, and as a guide to the use of new research methods. The authors review the fundamental theories and offer frameworks from a psychological, systems dynamics, and behavioral economic standpoint. They provide a crucial grounding for behavioral operations as well as an entry point for new areas of behavioral research. The handbook also presents a variety of behavioral operations applications that focus on specific areas of study and includes a survey of current and future research needs. This important resource: Contains a summary of the methodological foundations and in-depth treatment of research best practices in behavioral research. Provides a comprehensive review of the research conducted over the past two decades in behavioral operations, including such classic topics as inventory management, supply chain contracting, forecasting, and competitive sourcing. Covers a wide-range of current topics and applications including supply chain risk, responsible and sustainable supply chain, health care operations, culture and trust. Connects existing bodies of behavioral operations literature with related fields, including psychology and economics. Provides a vision for future behavioral research in operations. Written for academicians within the operations management community as well as for behavioral researchers, The Handbook of Behavioral Operations offers a comprehensive resource for the study of how individuals make decisions in an operational context with contributions from experts in the field.

Maximum PC is the magazine that every computer fanatic, PC gamer or content creator must read. Each and every issue is packed with punishing product reviews, insightful and innovative how-to stories and the illuminating technical articles that enthusiasts crave.

The book ends with a chapter of information on how to set up shop and efficiently manage a mobile repair services support center. Discover the secrets of mobile phone repair with this book!

The fifth adventure in Eva Hudson ' s enormously popular Ingrid Skyberg Thriller series A teenage girl disappears after witnessing a gangland murder in Chicago. Nine months later and heavily pregnant she arrives in England... only to disappear again. Special Agent Ingrid Skyberg, working out of the US embassy in London, has just two days to find the girl and get her to testify or else a brutal killer walks free. But Ingrid isn ' t the only one looking for the girl, and a gang war that started on the streets of Chicago is about to explode in the peaceful English countryside. With no leads, no back-up and hardly any time, Ingrid is pushed to the limit. Under pressure and against the clock, her judgement is clouded just at the moment she must make a decision that will change her life forever. Unlock the thrills and twists of this up-all-night crime thriller series, perfect for any reader who has ever wondered if there ' s a female version of Jack Reacher. There is, and her name is Ingrid Skyberg. PRAISE FOR EVA HUDSON "I was immediately struck by the plotting savvy and grip-factor of Eva Hudson's writing – she is a natural storyteller" - Sophie Hannah "In the tradition of all good thrillers, the plot rattles along at a fine pace. An intriguing mystery with many unexpected twists – not least of all the ending" - James Oswald "Gripped me from the first page. Ingrid Skyberg is a brilliant character" - DS Butler
